## International Cooperation Grants

### 1. House of Europe

House of Europe is an EU-funded programme fostering professional and creative exchange between Ukrainians and their colleagues in EU\*1 countries. The programme focuses on different professional fields: culture and creative industries, education, health, social entrepreneurship, media, and youth.

1 This encompasses 20+ separate programme lines enabling to go for conferences, professional events, internships, and networking in the EU\*, or to enrol in study tours, residencies, trainings, and other forms of support. House of Europe funds cultural coproductions and cooperations between Ukrainian and EU\* organisations, along with the development of cultural infrastructure and artistic concepts for youth in Ukraine. Finally, the programme offers various youth camps and an intra-Ukrainian university exchange.

Implementation of House of Europe Programme is led by Goethe-Institut Ukraine with The British Council Ukraine, Institut français d'Ukraine and Czech Centres as Consortium Partners.

### 2. International Cooperation Grants

1 Here and further in the text whenever marked with \*: plus the United Kingdom. The EU countries include Austria, Belgium, Bulgaria, Croatia, Republic of Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Ireland, Italy, Latvia, Lithuania, Luxembourg, Malta, Netherlands, Poland, Portugal, Romania, Slovakia, Slovenia, Spain, Sweden.

International Cooperation Grants fund collaborative cultural projects of Ukrainian and EU\* organisations: music festivals, virtual exhibitions, book fairs, digital residencies, theatrical plays, and any other bold ideas for online and offline.

Amid the coronavirus pandemic, we are looking for projects that have a vital digital component. Think of an adaptable idea you can carry out despite the uncertainty of circumstances: go online completely or combine offline and online formats.

The most prominent ideas will get up to EUR 50,000 to spend on staff, services, administrative costs, rent of equipment and space, and travel expenses.
