## Digital Labs: teachers of social and humanitarian sciences from Eastern Ukraine

### 1. House of Europe

House of Europe is a EU-funded programme fostering professional and creative exchange between Ukrainians and their colleagues in EU\*<sup>1</sup> countries. The programme focuses on culture and creative industries, education, health, social entrepreneurship, media, and youth.

This encompasses 20+ separate programme lines enabling us to go for conferences, professional events, internships, and networking in the EU\*, or to enrol in study tours, residencies, training, and other forms of support.

1 House of Europe funds cultural coproductions and cooperations between Ukrainian and EU\* organisations, along with the development of cultural infrastructure and artistic concepts for youth in Ukraine. Finally, the programme offers various youth camps and an intra-Ukrainian university exchange.

Implementation of House of Europe is led by Goethe-Institut Ukraine, with The British Council, Institut français, and Czech Centres as consortium partners.

<sup>1</sup> Here and further in the text whenever marked with \*: plus the United Kingdom. The EU countries include Austria, Belgium, Bulgaria, Croatia, Republic of Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Ireland, Italy, Latvia, Lithuania, Luxembourg, Malta, Netherlands, Poland, Portugal, Romania, Slovakia, Slovenia, Spain, Sweden.

## 2. Digital Labs: teachers of social and humanitarian sciences from Eastern Ukraine

Digital Labs bring together educators from all over Ukraine to overcome common challenges of teaching social and humanitarian subjects and introducing conflict mediation to your curriculum.

You will learn about the effective solutions during lectures with experts from the EU\* and Ukraine, come up with new ideas during workshops, and in a team with other participants will design and present a solution to a pressing issue of modern education.

Members of teams that prepare the best methodologies will get stipends of up to EUR 500 for further professional advancement.

## 3. What is the structure of the Digital Lab?

- Lectures and workshops, where you will learn know-how and practical work tools from peers
- Work in groups, where, together with other participants, you will develop methodological recommendations solving the challenges of the Digital Lab
- Mentoring sessions with experts, where you will receive advice on the methodological recommendations you are working on
- Presentations of methodological recommendations you created in a team with other participants to a jury where you will get an outside view and the opportunity to compete for scholarships for further professional advancement

2

## 4. Who teaches at the Digital Lab?

The Digital Lab experts are leading education professionals from the EU\* and Ukraine: heads of chief educational institutions, authors of new methodologies, gifted professors and teachers.

## 5. What should I prepare for the final presentation of the Digital Lab?

During the Digital Lab, you, in team with other participants, have to create methodological recommendations that will solve one of its challenges.

For each topic, we identify the most pressing challenges. For instance, participants of the Digital Lab dedicated to the digitalisation of primary education worked to mitigate the lack of means to control the quality of learning material by students in online education.

You and your teammates must submit a presentation and a short text explanation. For your convenience, we will share templates for these documents.

#### **6. How does Digital Lab work?**

The Digital Lab will take place online via Zoom. Please have your camera and microphone switched on during lectures and workshops.

You can keep in touch with other participants via our Viber chat.

#### **7. What is the duration of the Digital Lab?**

3

The Digital Labs lasts nine days:

- Four days of intensive training taking place on weekends from 09.00 to 19.00.
- Five days of work on methodological recommendations and mentoring sessions taking place on weekdays from 15.00 to 20.00.
- One day of the projects' presentations to a jury.

#### **8. What is the working language of the Digital Lab?**

During the Digital Lab, you will communicate in Ukrainian. It will be the working languages of lectures, workshops, mentoring sessions, and the final presentation.

We invite translators so that you understand the lectures of EU\* experts. They will also be there for you during mentoring sessions.

#### **9. When will the Digital Lab take place?**

The Digital Lab dedicated to innovations in teaching social and humanitarian sciences will take place from 7 to 15 May 2021.

## 10. Who can participate in the Digital Lab?

- School teachers of socio-humanitarian subjects participating in education reform and interested in developing methodology of reaching conflict mediation skills
- Headteachers interested in working with students from conflict-affected areas of Luhansk and Donetsk oblasts
