Selection criteria
Digital labs: creative hub managers

A team of experts will select successful applications according to the following criteria.

1.	Motivation	• Is the applicant motivated to work on solutions for key topics of the programme?
2.	Networking	• Does the applicant demonstrate an interest in working on finding new solutions in collaboration with peers?
3.	Profile of the creative hub	• Is there a portfolio of projects positively affecting the hub's community and contributing to the development of creative industries in Ukraine? On a local/regional/national level? • Does the creative hub have a vibrant community? Does the applicant plan to develop it further? • Is the creative hub still operating, or has it been forced to cease/suspend its operations due to the pandemic?
4.	Role of the applicant in the creative hub	• Does the applicant's role in the hub's team allow him/her to implement new solutions?

5.	Availability	▪ Will the applicant be able to attend all of the programme's online sessions?
6.	Additional criteria	▪ Does the applicant know English at an upper intermediate or higher level?
